GeoBlogy: FRACTURE CAPTURE! by Catherine Pennington Fractures and fracture networks are so complex and variable that this is a really tough and massive job, particularly because fracture data haven't been recorded systematically as part of our historic national mapping programme.

Assignment 4: Second Painting: A Fractured Image Re ... Breaking the words in places, overlapping so to fracture and layer the text. Working rigorously, making quick decisions I wanted to relay the movement of the tree, light and dark within the text. Choosing colours for the text was easy, I didn't want the original fractured image to be overworked.
