Re: Complaint 13-07

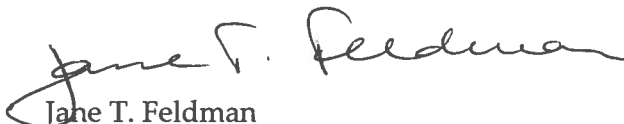

Via Email

Dear Ms. Thomas:

The Independent Ethics Commission has received a complaint against you. The Commission has determined that the complaint is not frivolous on its face and has requested staff to investigate. A copy of the Complaint is attached.

Although you have already submitted information to the Commission, you may submit additional information to the Commission prior to its meeting on August 5, 2013. (Under the Commission's Rules, you have thirty days to respond. Your materials would therefore be due on August 5. If you are able to get information to the Commission prior to August 5, that would be helpful, so the Commission could review the materials prior to the meeting). The Commission will consider any additional documents or information and set the matter for a hearing, as required by the Commission's Rules. See IEC Rules, attached.

Feel free to contact me if you have any additional questions.

  
Jane T. Feldman  
Executive Director
