RE: *Colorado Ethics Watch v. Coffman*, Case No. 08-01

Dear Ms. Feldman:

Pursuant to Rule 8.D.2 of the Independent Ethics Commission (“IEC”) Rules of Procedure, Colorado Ethics Watch (“Ethics Watch”) requests permission to conduct discovery. In the absence of an investigation by the IEC beyond determining that the complaint is not frivolous, Ethics Watch requires discovery to fully and efficiently present its complaint. With the hearing date fast approaching, time is of the essence and therefore we respectfully request that the IEC consider this request at its October 15th meeting.

Thank you for your prompt attention to this request.

Sincerely,
